#### Significant features and benefits of the policy

If your car is written off or stolen and not recovered, Volkswagen Gap Insurance helps to bridge the gap between the settlement amount from your motor insurer and the original purchase price of your car or the outstanding finance.

#### What your policy covers

As a combined product, the policy will pay either of the following benefits, whichever is the greatest.

##### 1. Return to Invoice Cover

This covers the difference between the net invoice price of your vehicle at the start date of the policy and your motor insurance company's total loss settlement figure.

##### 2. Outstanding Finance Cover

This covers the difference between your motor insurance total loss settlement figure and the outstanding early settlement balance at the date of total loss. Claims paid under this section of your policy will be paid to the finance company.

If you select cover for accessories fitted by the Retailer, we will pay up to the limit shown on your Certificate of Insurance.

Any payment under this policy, will also include up to £250 towards your motor insurance policy excess.

**Please note, the most we will pay is shown on your Certificate of Insurance.**

#### Significant conditions and exclusions

**This section is a brief summary of the conditions and exclusions of the Volkswagen Gap Insurance Cover Booklet.**

- You must contact Volkswagen Gap Insurance before you accept a total loss settlement offer from your motor insurer. If you accept an offer without our agreement then we reserve the right to settle your claim based on the market value of your vehicle, as determined by the Glass's Guide retail transacted value.
- If you are pursuing the claim with a third party insurer, you must advise Volkswagen Gap Insurance. Please be aware that all Volkswagen Gap Insurance terms and conditions will still apply.
- Where your motor insurance company determines that your vehicle is a total loss and offers a replacement vehicle and you decline the offer, Volkswagen Gap Insurance reserves the right to settle the claim using Glass's Guide valuation. This may result in a claim not being paid.
- Your policy is not transferable unless your motor insurer provides you with a replacement vehicle in settlement of a claim, or where the Retailer replace your vehicle due to merchantable quality issues.
- In the event of a total loss, the vehicle must be recorded and registered as salvage categories A, B, C or D.

#### In the event of the following, no claim will be paid if:

- The vehicle is stolen, whilst unattended and the keys are in or on the vehicle.
- The driver of your vehicle is intoxicated by alcohol or under the influence of non-prescribed drugs, or where advised not to drive by a registered medical practitioner.
- This policy does not cover any claim in relation to any VAT element where you are VAT registered.
